

Color Theory Workshop

With Maria Elkins

- ☑ Learn color theory in easy to understand terms
- ☑ Learn how to use a color wheel, including why it is invaluable whether you make traditional quilts, modern quilts, or art quilts
- ☑ Understand two different color wheels and begin to recognize how they're used today
- ☑ Learn the **basic color schemes** and discover what each one can do for you
- ☑ Discover how color can help you make show-stopping quilts
- ☑ Create a colorful wall hanging to help you remember each color scheme at a glance
